Teachers and Students in the News

Newfane instituted a course in Calculus and Analytic Geometry this year. The course is designed for Seniors who intend to pursue a career in the fields of Math or Science.

Newfane's high school Math students annually participate in two Mathematics Contests:

- a) The Annual High School Mathematics Competition which is administered in the U.S. and its possessions and Canada. Newfane participates every year, and placed 25th of 75 schools in their region which comprises Western N.Y. This exam is for 11th and 12th Grade students.
- b) The Annual Buffalo State Mathematics Contests which offers competition for individual grade levels, 10, 11, & 12.

This year at Newfane Central High, the Drama Club presented the three-act comedy, *ARMS AND THE MAN*, by G. Bernard Shaw. The play exemplifies both Shawian satire and British humor. The setting is Bulgaria in 1890 and the major characters were the Petkoff family. These characters are aristocrats and are typically arrogant, provincial, and parochial toward people of a lesser class.

Catherine Petkoff, the mother of Raina and wife of Paul, was played by Lois Geist and Sue Winkley. These girls had to portray a scheming woman who desired both increased social status and material wealth. Lois and Sue did an excellent job of portraying Catherine.

Raina Petkoff, played by Sherry Galambos and Dawn Shuman, was a young aristocrat who was an incurable romantic. Both girls worked arduously at perfecting this role, and enjoyed success with it.

Tonka, the maid, a pragmatic, so-

Mr. Ames

cialistic, cosmopolitan character, was played by Brenda Hoyer and Jaye Brayley. This role dictated that she cross swords with Raina, both socially and romantically.

Nikola, the man-servant and buffoon, was played by Lansing Dickenson. Nikola supplemented Tonka politically, and provided a bit of humor for the audience. Nikola will long be remembered as "The butter-fingered donkey".

Major Sergius Saranoff, the provincial, idealistic, romantic soldier was played by Bill Bowers. This character revelled in warfare and military repartee. Bill did a fine job.

Major Paul Petkoff, father of Raina, husband to Catherine and military leader, was the tired, old patriarch of the family. Tom Klemick brought amicability to this somewhat dry character.

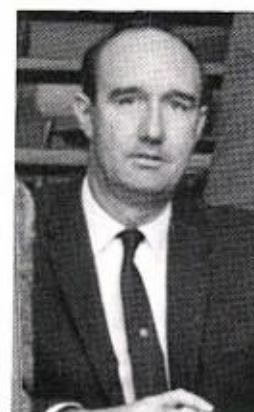

Captain Bluntschli, the Swiss Officer, chocolate cream soldier, and Shawian Superman, was played by Bob Lytle and Ron Raetz. Bluntschli was the middle aged, professional soldier who bungled his way away from battles and into Raina Petkoff's favor. Both boys deserve special congratulations for their portrayal of this character.

Special credit should go to Mark Mathewson and Ann Carr, stage manager and student director respectively. Special credit also should go to the other students who gave their time and interest to ensure the success of this play.

The words of Shakespeare seem to sum up this production:

"If it be true that good wines need no bush, 'tis true that a good play needs no epilogue".

Science Fair

Newfane Central School will hold its first annual Science Fair sponsored by the Junior High Science Club on March fourteen of this year. The Science Club is advised by Mr. William Sprague and Mr. Joe Meyer of the Junior High School. The purpose of this project is to help encourage the student to develop an understanding of the necessity for organization, planning, and experimentation in research. It also serves as an opportunity for the talented student to express himself creatively. It is hoped it will serve to deepen interest in science, mathematics, art, and industrial arts as possible career opportunities. Winners in the Newfane Science Fair will compete in the North Western Zone Science Fair in April of this year. At the Zone level there are a great number of prizes that are available to the superior projects.

Teachers and Students in the News

Newfane Central High School students will participate in an enrichment program during their Easter vacations. Two groups will travel to Europe.

Three years ago four Newfane Senior High School Home Economics students began to plan for a trip to Paris to visit several high fashion designers and famous chefs. These four girls began to work for the goal by obtaining part time jobs. They worked summers and during the school year.

Last spring plans were again discussed and this past fall plans were finalized for an extended trip to two additional cities. They will be able to visit London and Rome.

Seven home economics girls and four adults will leave March 21st for a 14-day tour of the three cities. They will depart from Buffalo, go to New York City and on to London via Air France.

The students are: Roxanne Blewett, Cindy Harrison, Debbie Harrison, Bonnie Hiller, Candy Miles, Cindy Secord and Donna Zashm. Adults are Mrs. Mary Bell of Buffalo, Miss Maggie Markle and Mrs. Parke Morrow of Niagara Falls and Miss Mary G. Viverette, Home Economics teacher of Newfane Senior High School.

In London sightseeing will include Parliament, Buckingham Palace, Tower of London, Westminster Abbey, St. Paul's Cathedral, the famous squares, Hampton Court, British Museum, Windsor Castle and mod shops on Carnaby Street. One afternoon four o'clock tea will be arranged and two evenings will be spent at the theatre. On one evening the girls will meet the performers.

Paris tourings will include a trip to Versailles, Notre Dame and Saint-Chapelle, the Louvre, The tuileries, many famous fountains, attractions of the Champs Elysees, Place de la Bastille, Dome Des Invalides, the Madeline La Place Vendome, Sacre Colur basilica and a Seine River trip.

The girls will visit several designer boutiques, French restaurants and tea will be served at "An Printemps." One

evening in Paris will be spent at a ballet performance.

Rome offers a Wagnerian opera one evening. Most of the girls are fond of Italian food so several evenings will be spent dining out. Daytime tour highlights are the Vatican, Spanish Steps, Trevi Fountain, Via Appia ruins, catacombs, Roman Forum, Pantheon, Colosseum, Baths of Caracalla and Diocletian, Theatre of Marcellus, Olympic Stadium, the Via Condotti shops and the Via Veneto cafes.

English speaking guides will be available to help in planning any other sights desired.

Mrs. Morrow and Miss Markle understand and speak French.

French Classes from Newfane Central School will be spending Easter vacation in various parts of Europe.

Twenty-six students including four from Wilson Central and one from Kenmore will leave from Toronto for London and on to Paris. The group will leave March 21st and return March 30.

Mrs. Olivera Kovacovic, Senior High French teacher will be in charge of the group and be their guide.

Mrs. Marie Palisano, Junior High Language Teacher will be assisting. Also accompanying the group will be Dr. and Mrs. Walter Altbach and daughter, Susan.

Several parents and teachers will go with the group to make a total of 44.

Students from Newfane are: Bruce Aikin, Karen Aikin, John Blewett, Eric Buhyoff, William Caughill, Daniel Donovan, Glenn Enderby, Debbie Gavri, Nancy Hamelick, John Hayner, George Kirchner, Jayne LeValley, Sandra Mills,

Roberta Stranges, Elizabeth Strong, Molly Taylor, Ann Winkley and Sharon Zehr.

NEWFANE—How does the world of plastics affect the homemaker? What should one do if his car stalls? What is one technique for refinishing a piece of furniture? How is a lamp switch wired?

These and other questions are being answered for a group of girls in a practical industrial arts course suited to their interests. The course, organized by the Industrial Arts Department at Newfane Central School, originated in an interest expressed by the girls who wondered why they were not permitted to acquire some of the knowledge taught to boys in industrial arts classes.

The course content is practical rather than theoretical. The girls will be engaged in the routine maintenance of automobiles, appliances, furniture, etc. The material to be presented in the course was formulated by Ronald B. Perry, David J. Wollenberg, and Norman L. Kopeck, industrial arts teachers at the school.

TEACHERS AND STUDENTS IN THE NEWS

It's Academic

In the fall a large group of juniors and seniors went, with Mrs. Ives and Miss Carullo, to WBEN to try out for the quiz program, "It's Academic." From that group six were selected to represent Newfane High School. They are Marc Drake, Dorian Coover, and Ludwig Enseleit for the first team, and Cathy Platt, George Kirchner, and William Smist for the second.

As the Century goes to press, a date has not yet been determined for the taping of the contest at the WBEN studios. Both teams are spending an hour after school every Tuesday and Thursday in practice. Newfane has done creditably on past "It's Academic" programs, and this year's students are determined to do even better.

Canadian Studies Mr. Smith

TORONTO TRIP. One of the highlights of this course is the trip to Toronto. The Provincial Parliament building, the new city hall, Yorkville, the view from the new Toronto-Dominion Bank, the walk along Yonge Street all make this an enjoyable and educational experience.

Vietnam Guest Speakers

On November 15, 1969, the Department of English presented an assembly program on the war in Vietnam. Guest speakers on a panel of which Father William Stanton was chairman included Dr. Conrad Topefer, formerly of Newfane Central School and now at the State University of New York at Buffalo; Mr. William Predmore of Rosary Hill College; Mr. Allan Van De Mark of the Van De Mark Chemical Company, Lockport; and Mr. V. Sumner Carroll, State Assemblyman from the 39th District. Their presentation was followed by a number of questions from the student and faculty audience.

New Math

Newfane instituted a course in Calculus and Analytic Geometry this year. The course is designed for Seniors who intend to pursue a career in the fields of math or science.

Newfane's high school math students annually participate in two mathematics contests:

a) The Annual High School Mathematics Competition which is administered in U. S. and its possessions and Canada. Newfane participates every year, and placed 25th of 75 schools in their region, which comprises Western New York. This exam is for 11th and 12th grade students.

b) The Annual Buffalo State Mathematics Contests which offers competition for individual grade levels: 10, 11, and 12.

Sportsmanship

On Sat., Feb. 7, Newfane Central School was host to the fourth annual, Niagara-Orleans League, Championship Wrestling Tournament. The hosting of such a large affair turned out to be a distinct pleasure.

Some 100 wrestlers, coaches and managers descended on Newfane Senior High School at 9 in the morning and were guests of the school and community until almost 11 that night. More than 500 fans from the various league localities filtered in and out of the arena all day long as the matches were going continuously morning, afternoon and evening.

Holding an athletic contest of any kind today is a real chore, what with smoking, drinking, altercations, de-

struction of property, etc. creating almost insurmountable problems for school authorities, despite all normal precautions.

It is almost a joy to relate that in several hours of heated competition there was hardly an incident worth mentioning that reflected on the good name of any school during the wrestling tournament.

The wrestlers, coaches and fans exhibited an almost unknown degree of sportsmanship and exemplary conduct during the matches and about the community of Newfane. They cheered, and yelled themselves hoarse during some heated wrestling matches but were applauding both winner and loser alike at the conclusion. It is difficult to deter-

mine why this group should be different from those at any other athletic contest but a high degree of discipline, love and respect was obvious by the boys competing, for their opponents and their own coaches. Perhaps this spirit was contagious.

So congratulations to the men responsible for creating such fine ideals in young men—the coaches who have trained and guided them throughout the year. Thank you, wrestling coaches of the Niagara-Orleans League for your service and dedication to a fine group of American boys. We need both them and you in these difficult days, and the mantle of leadership that will fall upon their shoulders in the future.

Sincerely,
Joe H. Donovan,
Dir. of Athletics
Newfane Central School

Janet,
Have fun
this summer and
hope to have you
in some of my rooms
next year. Good luck in the
future.
Diane

Have a nice summer,
I hope we have math
together next year
or something. You
helped me understand
some of this garbage.
Lots of luck.
See ya next year.
Don't get into much
trouble and practice
fixing up that laugh
of yours.

Janet:
To a good kid a good kid
from a better one has a terrible
love for at laugh. Good luck
in Murphy! I
still think Desales
is better!
